

SUMMER JOBS REINSTATEMENT

**YOUR URGENT RESPONSE IS NEEDED BY FRIDAY,
JUNE 15**

June 6, 2007

Dear Mayor:

Congress has begun the process of setting federal funding levels for Fiscal Year 2008. As you know, in our Ten Point Plan, the nation's mayors called for a significant investment in our nation's youth to fund a new summer youth employment initiative.

Attached is a letter that we are planning to send to key members of Congress in support of this new investment.

To show your support, please indicate your willingness to sign on to the letter by completing the form below and emailing it to the attention of Kathy Amoroso (kamoroso@usmayors.org) or Melissa Grothus (mgrothus@usmayors.org) by close of business on Friday, June 15.

Additionally, please complete the brief survey questions regarding your 2007 summer jobs program for use in our advocacy on behalf of this initiative. Thank you.

Sincerely,

Tom Cochran
Executive Director
